

20-Year Surface Warranty

Crystal Palace Pools' finishes are a multilayered formulation of gel coats, sparkles, and colored resins utilizing the latest in technological advancements for swimming pool finishes.

The Diamond Series™ colored finishes utilize a proprietary process that actually creates a three-dimensional product designed to transfer light back into the water, creating a sparkle and look that is unmatched in the industry.

Because of the use of premium products in our gel coat technology, Crystal Palace Pools offers a 20-Year Finish warranty, exceeding most other manufacturers' warranties. This finish warranty, when matched with our Lifetime Structural Warranty, offers you the peace of mind that you look for in a major investment.

You can rest assured that when you purchase a Crystal Palace swimming pool that you have almost 40 years of manufacturing experience behind our products.
